Lee Transfer Station's 10 Year Anniversary

DID YOU KNOW?

- The Lee Transfer Station was named in honor of Bob Keniston who originally cleared the lot & served as a Town Selectman for 26 years
- Waste Disposal costs the Town Of Lee about $88 per ton and varies each year
- Thanks to Lee residents' dedication to recycling, Lee has saved about $501,753 that would otherwise have come out of tax dollars, to dispose of in a landfill
- Lee residents have recycled 5,701.74 tons of recyclables in the last 10 years!
- Keep up the excellent recycling!
