

Lee Natural Resource Inventory (NRI) Workshop Agenda
Tuesday, April 9, 2024 6:30-8:00 pm
Lee Public Safety Complex, 1st floor

Join in a dynamic discussion on the existing conditions and quality of our Town's natural resources, locations of historic or cultural significance, community needs, and priorities for ongoing and future management efforts. All voices welcome.

Sign In and Review Maps on the Walls
Complete survey (if you haven't already)

Call meeting to order – Lisa Murphy, Strafford Regional Planning Commission

Welcome and Introduction

Discussion Tables – participants will divide into four groups and rotate to provide input into each of four topics:

1. How do residents (and non-residents) use Lee's natural resources?
2. What are the current threats to the natural resources in Lee?
3. What are your concerns for Lee's water resources?
4. What do you think are the areas in Lee that should be considered for future land protection?

A kid's table will be provided with appropriate activities

Refreshment provided.
