

Minutes of the
Joint Loss Committee Meeting
Thursday, September 22, 2022
8:00am

Members present: Jeff Liporto; Bill Stevens; Andy Robertson; Michelle Stevens and Caren Rossi.

INSPECTIONS

Caren Rossi explained that the Department of Labor had just completed an inspection of all town building and the JLMC paperwork. They found that we had not reviewed the safety manual since 2014. This needs to be done every two years and if no changes are to be made, we just date it and initial it like we did in 2014. She distributed copies of it to all members and they agreed they would review it and meet back on Tuesday, September 27, 2022 at 8am with any changes they had.
