

Trail Building At Little River Park

Volunteers worked last spring to begin building a few walking trails at the park. Trails are now in place that can take you from the parking lot up to the corner near the village triangle, over to Lee Hill Road and back again. Nearly one quarter mile of trails were laid out, trimmed and cleared.

No volunteer is too small!

Come to the Little River Fest on Saturday, September 26 and try out the trails for yourself! Stop by the information booth to learn more about what is planned for the park.
