Dear Lee Resident,

The Lee Senior Advisory Committee (SAC) is reaching out to Lee residents age 50 and older to gather information about senior interests and needs in Lee. The committee's goals include developing senior activity programs and workshops, developing a support group of seniors to help seniors and offering classes to deal with senior issues such as health insurance, veteran's benefits and Social Security.

The enclosed questionnaire was designed with help from Occupational Therapy students from the University of New Hampshire to collect information that may inform and guide our activities.

We invite you to fill out the questionnaire and return it to the address listed below at your earliest convenience.

This survey will take only a moment of your time to complete. The information you provide will help the SAC organize events and activities that are meaningful and useful to you and to other seniors in Lee. Feel free to request more copies of the questionnaire for others to fill out.

Please mail your completed questionnaire to:

**Senior Advisory Committee
Lee Town Hall, 7 Mast Road, Lee NH 03861**

If you have questions about this survey or would like more information about the Lee Senior Advisory Committee, please email Shirley Walker at shirlwalker@comcast.net or Patricia Jenkins at grephie@comcast.net.

Thank you in advance for helping!

Sincerely yours,

The Lee Senior Advisory Committee
