MOTOR VEHICLE INFO

Registrations

Renewals – You may present your registration, renewal notice or your driver’s license to renew your motor vehicle registration. If no changes to the registration are required, you may renew online at www.leenh.org.

Transfers – To get credit for time remaining on your old registration you must have your original current registration or a certified copy which can be obtained for a fee of \$15 at the DMV or \$17.50 at the Town Clerk’s office.

New – 2000 model years and up must be titled. If purchased from a NH dealer, you must present the Application for Certificate of Title (blue paper). If purchased out of state or a private sale, you must present the certificate of origin or the title signed over to you. The new owner will need to sign the application for the new Title.

Years prior to 2000 – you will need one of the following:

- A copy of a New Hampshire registration from a former owner
- A Title
- Verification of VIN form (TDMV19A), available at Town Clerk’s office or State of NH website. The TDMV19A must be filled out by a NH Law Enforcement Officer, NH Inspection Station, or a NH Dealer.

If you are moving to New Hampshire from another State, you will need the following:

- Current driver’s license
- Proof of Residency
- Title for your vehicle (If you have an out of state lien holder, you will need to present your current registration and the name and address of your lien holder.)

Plates

New Information on plates:

VANITY PLATES The Town Clerk's office may accept applications for vanity plates, but can no longer issue these plates. If you would like a vanity plate, an Application for Vanity Plate (RDMV120) is available at the Town Clerk's office or the State of NH website:

<http://www.nh.gov/safety/divisions/dmv/forms/documents/rdmv120.pdf>.

The application will be mailed from our office or you may mail it directly to the State of NH. Once the State reviews the request, they will send a letter to the applicant either approving or rejecting the application. If approved, applicants can then bring the letter to a NH-DMV substation or Concord within 30 days to obtain the vanity plate and pay the appropriate fees.

2016 LEE COMMEMORATIVE PLATE The Lee Police and Lee Fire Associations are working with the members of the 250th Anniversary Planning Committee to purchase commemorative license plates to be used during 2016. The Director of Motor Vehicles will allow the plates to be made available for purchase and then to be used as the front license plate during 2016. We are anticipating these plates to be on sale near the end of 2015 and continuing through 2016. The cost of the plates will be determined when the design is chosen.
